# COLUMBIA AND YALE **ELEVENS MAY MEET**

Blue and White Likely to Accept Eli's Defi if Cornell

Begs Off. By GEORGE B. UNDERWOOD.

If Cornell should find it impossible to

come to New York for the scheduled contest with Columbia on November 30 the Blue and White will not be without an engagement on that date, for the Yale S. A. T. C. has offered Columbia a game. On account of Columbia's completed schedule Coach Fred Dawson was forced to decline Ell's defi. Graduate Manager Tyson, it is understood, is in Ithaca now interviewing the Cornell authorities regarding the proposed contest with Columbia. Should the Columbia-Cornell game fall through Dawson probably will agree to a meeting with the

Blue, provided Yale can come to South Field on November 30.

There is little doubt among those who have been watching the work of Coach Dawson's proteges that Columbia would be able to hold its own with Yale or any other college team provided the contest was played within the next forthight With Robb, Shaw and Houlahan in the back field and the present line intact

back field and the present line intact Columbia can throw a truly formidable aggregation into the fray. With Shaw, Canaperry, Houlahan, Robison and other stars subject to call to an officers' training camp the Columbia eleven at any time is likely to be shot to pieces. Houlahan was back in his togs yesterday for the first time in a fortnight. He still is somewhat weak from his recent attack of influenza and it is doubtful whether he will be strong enough to ful whether he will be strong enough to go through the entire game with Am-herst next Saturday. Dawson may start the game with Wesley at fullback, but Houlahan practically is certain of being sent against the Berkshire boys some time during the contest.

### A Snappy Practice.

With Tom Thorpe, football hero of the days when Columbia was enjoying its greatest succees on the gridiron, in charge of the linemen, and Coach Dawvarsity went through more than an hour of solid practice yesterday afternoon. Extra snap and ginger were injected into the workout by 2,000 members of the who bivouacked in the grand stand and practised Columbia songs and cheers. It has been a long while since as much enthusiasm has been noticed around South Field as is uncorked there these days. The spirit back of the eleven augurs well for its

Not content with trying the men out on the machine Thorpe opposed each of the linemen in turn, and the one who him the most savagely treated him the roughest pleased the

Conch Mason tuned up the N. Y. U. varsity for Saturday's game with Stevens with a long scrimmage against the scrubs on Ohio Field yesterday. Ferguson, fullback on the scrubs, showed up so well that Mason tried him out on the varsity and the former Freeport High School youngster may start the game against Stevens. Though rather light for a fullback he handles himself well and has all the earmarks of being a great little player.

Though the varsity and the scrubs fought all over Ohio Field both elevens escaped unscathed. Kawino, the old Morris player, who held down guard position, was knocked out in one of the charges but was only slightly hurt. The arsity for Saturday's game with Steven

Maroon Will Meet Granite State Eleven Behind Closed Gates.

In the final workout for to-day's open ing game with Granite State Coach Sinkind yesterday shot his Fordham squad through a fast signal drill. Despite the short time the eleven has been working together the formations were run off smoothly, and the sallor boys are pretty likely to find themselves bucking up against some stiff caposis. pucking up against some stiff opposi-ion this afternoon. Quarantine restric-ions will prevent the general public

from witnessing the game.

Speed was the predominant feature of the workout. The Maroon squad is a light one and will have to depend on speed and strategy rather than on any tered into any arrangement to play line hammering tactics. Frisch, Brown, Welker Cochran a championship match Manley, Gilmartin, Ryan and Barnes, the or in any other capacity in aid of the men Siskind used in the back field yes-terday, showed commendable speed and worked well together. Special Despatch to Tun Sex. Boston, Oct. 29.-Willie Hoppe, the world's billiard champion, to-night offered through his manager, R. B. W. W. ROPER, 50 Vanderbilt avenue, New York. Hoppe will defend his title within six weeks time of signing articles with the gross receipts to go to the United War Workers fund, provided there is a side bet of \$2.500, the same to be placed in the hands of the Brunswick-Baike-Collender Company, they to handle all arrangements and to handle all arrangements and details, as has been the custom in past championship matches.

# HIGH LIGHTS AND SHADOWS WILLARD CONSENTS BE FRANK LEFT AT TO PLAY COCHRAN IN ALL SPHERES OF SPORT

BY DANIEL.

EVERAL days ago Bill Roper of the United War Work sport com mittee approached the authorities at Yale about playing a football game with Princeton for the fund. Roper met with a curt refusal. Yesterday Fred Dawson, coach at Columbia, said that Yale had asked him here. It is very difficult to reconcile the refusal to Roper the request of Columbia. It may be that one of the Yale army units or the naval section asked for the contest, but Dawson was sure that it was the Eli informals that wanted to come here, and there you are. It's a decidedly strange situation-

The reluctance of college football teams to play for the war work fund as played havoc with Roper's plans and yesterday he seemed just the least bit discouraged. He had been hoping that he could save a little something out of the wreck by getting Pittsburg to come to the Polo Grounds to play Rutgers on Election day. That prospect went aglimmering when Pitt sent word that it could not come here. As Pitt already has scheduled war work fund contest with Georgia Tech on November 23 Glenn Warner cannot be criticized for turning down the Rutgers game. If every big college would come through with one game for the fund there would be no complaint. However, Warner might have stretched a point and taken on Rutgers, particularly since Pitt has no engagement for Election day.

The only game which Roper had in prospect for this section yesterday was that between the Aviation School at Princeton and the Harvard Radio the Radios to clinch the date. If they decline the League Island Marines, his efforts to make up a card. The comwho beat Pennsylvania last Saturday, are likely to be substituted. When mittee will make one more effort to get

Neither Roper nor anybody else can fathom the mystery. It's a great cause and a great chance, yet the responses are not forthcoming from the colleges.

### Willard Responds in His Own Way.

The case of Willard also presents some difficulties. The heavyweight champion's reply to Jim Coffroth that he would box for the war fund, but only in Texas, where he is to arrange two shows, fulfills the original require-However, it removes Willard's services from New York, where could do the fund the most good. In Texas Willard will have to do nothing nore than appear in a couple of four or six round exhibitions. In New York he would have to fight. However, we will give the big fellow the enefit of the doubt. In Texas he will not only box, but will arrange and nanage the two shows. ### Billy Kelly Still Champion of the Year.

Billy Kelly was beaten by Eternal at Laurel on Monday, but we still regard Billy Kelly the champion two-year-old of the year. Billy Kelly earned that title beyond all recall at Saratoga, when he did things that had not been done by juveniles since the day of Hamburg, carried 185 pounds to victory against formidable opposition and repeatedly showed bursts of speed that stamped him as one of the really great horses of turf history. Eternal did not come to the fore until he won the Hopeful. Then came Dunboyn's victory in the Futurity, and the subsequent agitation for a match among the three leading two-year-olds-

Dunboyne was retired, leaving on Eternal in the discussion against Billy Kelly. Now Eternal has beaten Billy Kelly, and some are giving the title to the son of Sweep. They forget the fact that Dunboyne won the Futurity and had a decision over Eternal to his credit. Eternal has proved himself a great horse, but he is not the champion any more than Houriess was the champion three-year-old last year after beating Omar Khayyam in their second match.
